SUMMARY

An energetic Software Engineer with a passion for learning and exposure. A highly result driven and motivated customer oriented professional, seeking a challenging software engineering career with a leading organization that would optimize my software development skills, whilst growing along with the organization.

Work Experience

Full Stack Software Engineer,
TeamApt Limited

📅 May 2019 – Date 📍 Lagos, Nigeria

- Responsible for designing algorithms and producing clean, efficient code based on specifications. Verify and deploy programs and systems. Troubleshoot, debug and upgrade existing software.

Key results

• Led troubleshooting, debugging and upgrade exercise on software applications for 8 key financial institutions, achieved on time 100% resolution and recorded zero issue escalations.
• Executed national deployment of Moneytor and Aptent routing for FCMB

Junior Machine Learning Engineer,
Photizzo Technology

📅 February 2019 – May 2019 📍 Lagos, Nigeria

Responsible for building smart applications with focus on Natural Language Processing.

Key results

• Built a Spam Detector for detecting spam and ham mails.
• Led the implementation and maintenance of spam detector within company's mail system.

Machine Learning Trainee,
Bincom Dev Center (BinCom ICT)

📅 November 2018 – January 2019 📍 Lagos, Nigeria

Data pre-processing and building machine learning models. Regression Models - Linear, polynomial, multiple regression. Classification models - clustering, KNN, decision Tree and Random Forest.

Key results

• Built a web crawler algorithm that extracts Facebook user data.
• Built supervised and unsupervised algorithms using regression and classification models
• Developed algorithms for social media reputation scoring within a multifunctional team

Graduate Trainee,
Nigerian Bottling Company (CCHellenic Group)

📅 September 2017 – August 2018 📍 Lagos, Nigeria

Avionics Engineering Intern
Bristow Helicopters

📅 August 2014 – January 2015 📍 Lagos, Nigeria

Bio Data

Date of birth: **30-09-1993**   Gender: **Male**

Skills
